IP AND CONTRACTS FOR NON-IP PROFESSIONALS

WHY YOU SHOULD ATTEND

Are you a Non-IP Professional but want to know more about Intellectual Property and Contract Law? Does your work require you to have basic understanding of Intellectual Property or do you need a refresher on your Intellectual Property knowledge? This half-day course introduces the basic concepts of Intellectual Property (IP) and the different elements of Contract involving IP.

The course contains materials which will be useful to any non-IP Professional with no prior knowledge of IP. At the end of the course, participants would be able to appreciate how IP works in a general context.

The course is supported by Licensing Executive Society (LES) Singapore.

For those who wish to enhance their knowledge on IP and licensing, we would like to invite you to sign up for our 3 days course jointly organized with LES Singapore – [“LES Basic and Intermediate Licensing Course 2019”](#).

Speakers: Mr. Mohan Das and Ms. Sharon Chiang

TARGET AUDIENCE

This course is relevant for research administrators, contracts managers, industry developers, business developers, technology transfer and commercialisation professionals, licensing professionals, lawyers, patent agents, technical directors, research managers, researchers and scientists.
